

HEALTH & SAFETY POLICY STATEMENT FOR LINBURG TOURING

The management of Linburg Touring is fully committed to the health, safety and welfare of all employees, visitors and contractors, providing resources and information to maintain a safe working environment. Managers/Supervisors have the primary responsibility for the safety of all persons in their departments by maintaining safe working practices and evaluating the risks involved with the work that is being performed in them.

All employees are expected to take reasonable care of health and safety and that of others who may be affected by their omissions. Employees should co-operate with company management in order to secure its health and safety objectives.

GENERAL OBJECTIVES

- to ensure that all Vehicles are maintained to the highest standards
- to provide a healthy and safe environment for staff, customers, contractors and any other persons who may board our vehicles.
- to ensure the safety and welfare of all with disabilities
- to establish and maintain safe systems of work
- to promote the observance of all relevant statutory provisions
- to assess risks involved in all activities undertaken to ensure that all codes of practice and supplementary health and safety information are notified to employees and that they are adhered to
- to assess the health and safety of employees and others who may be affected by our business activities so that the necessary measures of prevention or protection can be identified
- to regularly review the safety policy statement, safety procedures and emergency procedures and to ensure all employees and contractors have up to date copies of the relevant documents
- to develop and maintain a sense of safety awareness and reasonable attitudes in all employees by developing a positive safety culture
- to ensure joint consultation with employees in the achievement of the general objectives of the company safety policy
- to monitor the effectiveness of the safety policy procedures throughout the company
